We are pleased to inform you that we are now accepting applications for Bocconi Summer School 2021

The online edition combines our academics with the Summer School key features, including guest speakers and classroom interaction, allowing students to practice their digital skills, build their network and get a virtual taste of our teaching and community.

All 6 courses, open to undergraduate students, will run from 28 June to 16 July 2021 and give 6 credit points upon completing the course and passing the final online exam.

Two applications rounds are available and students from our esteemed partner schools can benefit from the reduced early bird fee (€1,200) regardless of the application round.

We will be accepting applications until 29 April 2021. For any further information, please feel free to email Bocconi Summer School Team at summerschool@unibocconi.it

This year we also offer a week-long online course in International Business and Digital Law (3 credits) for undergraduate and graduate students: information on our website.
