

Our International Summer School provides students with the opportunity to experience studying the UK at a top institution for up to 15 ECTS/8 US credits in a variety of disciplines. Our courses range from literature to clinical psychology and are listed below.

In July 2020 we will be running the following courses:

- Adapting Cognitive Behavioural Therapy to Improve Access to Psychological Therapies
- Britain and the Making of the Modern World
- Contract Law
- Global Climate Change: Environment, Technology, and the Society
- Global Enterprise
- Human Rights Law
- International Relations: Security, Conflict and Peace
- Preventative Medicine: Exercise and the Environment
- Rethinking Shakespeare
- Victorian Evolutions and Revolutions

Our International Summer School will run from **28<sup>th</sup> June until 19<sup>th</sup> July** and will include an orientation trip to London, on campus self-catered accommodation, all programme transport including airport transfers and an exciting social programme as well as our engaging academic programme.

As the first five days will be spent in London and then an introductory day in Exeter, if there are students who cannot make it to the UK in late June, we are happy to arrange a separate airport transfer to allow them to join us a few days in to the programme. This may come at a small extra cost, dependant on location.

The price of our programme is £2,400 for one module or £3,150 for two modules studied over the three weeks.

We have both digital and hard copy posters, leaflets and postcards and will soon have subject specific posters if you wish to display these within areas dedicated to the relevant fields. If you would like us to send you any for display or in an upcoming Study Abroad fair, please do let me know if you would like to receive these and we will get them sent to you as soon as possible.

In the meantime, if you would like any further information or have any questions please don't hesitate to check out our website ([www.exeter.ac.uk/internationalsummerschool](http://www.exeter.ac.uk/internationalsummerschool)) or email myself and my colleague, Lisa and we will be happy to help.
